

Occupational Tax Certificate Checklist

If you are a new business in the City of Dunwoody you are required to have a current occupational tax certificate in order to conduct business within city limits. Below are some items we recommend each new business should look into to ensure your business is in compliance with City Ordinances.

Step 1: Before signing a lease we recommend that you make sure your business location is in the proper zoning district for your type of business. Please email your business address and dominant business activity to the Zoning Department for confirmation at Andrew.Russell@dunwoodyga.gov. This will help reduce applications denied due to improper zoning.

Step 2: If you are not a home-based business, we recommend that you verify whether or not your business will need a Certificate of Occupancy from the Community Development Department. They can be reached by calling 678.382.6800.

Step 3: Complete and submit all required forms and documentation to the Finance Department to obtain your Occupational Tax Certificate.
